"To Honorable Judge Basil": Relationship  
FROM BARBARA Montoya Wife 4-29-02

I believe Sanuari's Montoya deserves a chance to stay in the U.S.A. because he's a wonderful husband he's hard working, and differently a great man. He's a wonderful, and good Father, and also is a great StepFather for the last 9 years of our marriage. He is a great and wonderful Step-GrandFather to my two Grandchildren, and they both love him dearly. Please give him a chance to be here in the United States with me his wife, and his family too. I really need his caring for me. Since my health has not been good also I've had surgery's, and I'm going to have another. Please give him this chance to take care of me because I haven't anyone else that will take such a great responsibility for my wellness, and he has loved me Sincerely thru our Journey for the last 9 years in our marriage. I could guarantee this would not be a disappointment.

I greatly appreciate this  
Thank you very much  
Sincerely Barbara Montoya

**My name is Linda Wardell. I have known Sanuario Montoya and his wife Barbara for approximately eight years. Mr. Montoya has always been a hard-working landscaper and has worked in that profession for the majority of the time that I have known him.**

**On several occasions San and Barbara have been kind enough to lend me grocery money and twice enough for me to make rent. Sani has always been generous with his time. I can't count the times he took me shopping and picked up my teen-aged daughter from one event or another; not once did accept gas money.**

**Barbara tells me he dotes on their grand-children, and I believe this to be true. It is my opinion that Mr. Montoya is an honest, hard working family man and is an asset to our community.**
